A.C.C.1.d109 /48 Dated 12-4-48.

SIR,

SUB: BELLARY - MUNICIPALITY - ESTABBLISHMENT - SRI.KOPPULA SUBBA RAO - ADDITIONAL CHARGE OF THE POST OF THE WATER WORKS SUPERVISOR - SANCTION - REQUESTED.

---

1. Sri.S.Ranganathan, the Permanant Water works Supervisor of this Municipality applied for 2 months leave on 26-1-1948 with medical certificate, to undergo theatment as advised by the Doctor. The Doctor who was also consulted in the matter personally by the Municipal Engineer expressed his opinion that the Supervisor should be put immediately under medical treatment and given sufficient rest. Hence immediate arrangements had to be made to relieve him from his duties.

2. The sanctioned strength of the Technical Staff of this Municipality is one Supervisor for the water works and one Overseer for the Public works. The public works Overseer has been appointed on a temporary basis and has been granted exemption from possessing the qualifications for an overseer till such time where a qualified overseer is available. The Municipal Engineer was therefore of opinion, that it is not advisable to ask the public works' Overseer to be in charge of the post and the Supervisor; and as it is not possible to obtain a qualified Supervisor for this short period there is no other alternative but for the Municipal Engineer to be in additional charge of the post of the Supervisor, and relieve him for undergoing the medical treatment.

The appointment Committee in its resolution No.6/dated 23-2-48 (Vide copy enclosed) approved the proposal of posting

posting the Municipal Engineer to be in full additional cha[illegible] of the post of the Supervisor and granted also 1/5 of his pay as allowance.

The Water Works' Supervisor was relieved on 1-3-48 and the Municipal Engineer Sri.Koppula Subba Rao continued to be in charge of the post of the Water Works' Supervisor

Hence, I request you to kindly sanction the additional ~~She~~ Charge allowance for the period he is in charge from 1-3-48 at Rs.64/- per mensum being 1/5 of his pay) or in accordance with any other rules, to the extent he is entitled.

In this connection I beg to submit that the Government in their order No.M.S.1927 ~~Mis~~. L.A. dated 15th May 1939 have sanctioned to the Municipal Electrical Engineer, additional charge allowance for the period he was in charge of the post of the Power House Assistant.

The particulars Required as in Sanitary Engineer's Circular No.3211-1-48 E.C.Dated 24-3-48 are also enclosed.

Sri D. Rama Rao, the Incumbent Sri K. Subba Rao held addl charge from 6-5-48 to 11-5-48. The particulars of work he did are given on p 13 C.F. The note of L.O on pp 3-4 above may be perused. A above has been made in the draft order on pt 1 which may issue. The Supervisor's job in March every year (the last month of an official year) will always be heavy and ordinarily bears no comparison with that in April & May, beginning months of a year. In the present case, he has done some work in April also. In the circumstances this deptt may insist on the payment of add charge allowance for the period from 1.4.48 to 5.5.48 also. For orders
